

# Advanced Aesthetic Procedures

*Dr. Dilip Gahankari is a gold coast based Plastic Surgeon with over 15 years experience. He received his M.B.B.S., Masters degrees in General Surgery and Plastic Surgery from the University of Bombay and underwent advanced training at the prestigious Canniesburn and Glasgow Royal Infirmary Hospitals, Scotland. In 1999 The Royal College of Surgeons of Edinburgh conferred upon him the FRCS Fellowship in General Surgery. He was invited to join the PA Hospital in Brisbane as a Hand Surgery Fellow and underwent further training as a Head and Neck and Burns Fellow at the Royal Brisbane Hospital. In 2003, he was awarded the FRACS, Fellow of the Royal Australasian College of Surgeons, in Plastic Surgery. Dr Gahankari is an Associate Professor of Surgery with University of Queensland & Bond University and has published extensively in academic journals. In addition, he regularly volunteers his surgical skills with Australian overseas missions in less privileged countries.*

*Dr. Dilip Gahankari, Member: Australian Society of Plastic Surgeons*

Advanced Aesthetix, Plastic Cosmetic Surgery and Laser Centre is a purpose designed clinic offering state-of-the-art technology and personalised care in a quiet, discreet, professional environment. Talking about bodies is quite a sensitive subject. No body is perfect and most of us probably have a little problem that we'd like fixed or treated. The decision to undergo any surgical procedure is never one to be taken lightly but once you have, every effort is made to ensure you feel comfortable. We recognize the positive impact it has on your wellbeing and importance of looking good. You will be given comprehensive information about your chosen procedure and will have Dr Gahankari and his team's support prior to and after surgery.

Dr Gahankari's commitment is to provide outstanding care to his patients with the assurance of safety and quality. It is with this sincere philosophy that he performs every procedure. The practice at Benowa encompasses a balance of Plastic, Reconstructive and Cosmetic Surgery and offers various procedures, specialising in minimal scar plastic surgery of the face, breasts and body. Dr Gahankari is keenly aware of the importance of short scars in modern plastic surgery and is dedicated to delivering the natural look. His main interests in reconstructive surgery include breast reconstruction, hand surgery and head and neck reconstruction.

Advanced Aesthetix is a clinic that offers the latest treatments and procedures – they want the best possible results, using the latest technology by some of the most experienced professionals in the industry. Most of all, they want people to feel good about themselves again.
